U-BOAT RAIDERS REPORTED CAPTURED IN ATLANTIC BY SWIFT AMERICAN DESTROYER

AN ATLANTIC PORT, June 6.—Report of the capture of a German submarine off this port reached here today. Every effort is being made by the naval officials of the First Naval District to confirm the report. A naval officer is said to have received such promising news of the U-boat's capture that he announced the fact to the crew of one of the war vessels here.

U-BOATS HEADED SOUTH IS BELIEF.

WASHINGTON, June 6.—Convinced that the German submarines which have been operating off the Jersey coast now are headed south into the lane taken by vessels from the West Indies and the Gulf of Mexico, the navy department has taken special precautions to protect shipping in that vicinity.

It also has taken steps to prevent damage by mines which have been laid along the routes which the submarines now seem to have abandoned. Meanwhile the movement of men and supplies overseas is proceeding exactly on schedule, with every possible precaution being taken to protect the transports.

Although there has been much talk of sensational movements by the U-boats, including air raids by seaplanes carried or raids inside on some of the least protected harbors, officials say nothing of the sort is likely to be attempted.

PRECAUTIONS TAKEN.

AN ATLANTIC PORT, June 6.—The arrival here today of several steamships from southern Atlantic waters, among them two passenger liners, brought no further news of submarine operations. Officers of the ships said, however, that every precaution was taken against surprise.

Barrels lashed to the masts served as crows' nests for observe and as further precaution passengers were advised not to disrobe at night, and all lifeboats, fully provisioned and watered, were kept hanging on the davits on a level with the boat deck, ready for instant use.

MRS. B. FRAZER IS RURAL MAIL CARRIER HERE

Mrs. Beulah Frazer, residing in the Pullman district is an example of what an American woman can do for her country in war times. The little lady is about 20 years of age and when the war came on her husband deemed it his duty to help in the great cause for Democracy, so he enlisted in the navy, leaving his young wife to "keep the home fires burning" during his absence in foreign waters and lands.

Mrs. Frazer looked about her to find some sort of employment and happened to hear that the Richmond postoffice was in need of a rural mail carrier, applied for the position and was accepted. She has a Pathfinder roadster and is making the delivery along the route each and every day, covering a distance of something like 25 miles. Her route is the section of country along the state highway to Pinole, down to Giant and the country lying South of the Santa Fe and Southern Pacific railroads. She finds the work congenial and healthy and likes her new job very much. It pays her $1155 per year and while it is not a great deal of money considering the service performed, still it will help to buy tires and gasoline.

LADIES AID TO HOLD BUSINESS MEET FRIDAY

The Ladies Aid Society of the First Methodist Church will hold a business meeting at 2:30 p. m. tomorrow (Friday) in the lecture room of the church.

COLLISION OF STREET CAR AND AUTOMOBILE

Late this afternoon at Tenth and Macdonald there was a small collision between the automobile of J. J. Davis and a street car. No particular damage was done.

BASEBALL STAR IS THE FATHER OF TWIN BOYS

Monte Pfyl, star performer in Manager Otto Deitrich's antlered herd of Elks baseball aggregation is the proud father today of twin boys, born this morning in an Oakland hospital. Such is the word that came today from Monte's boss, who is the manager of the Great Western Power company, for be it known that when Monte is not playing ball he is toying with 24,000 volts of electric juice. He is an electrician and a good one, there being none better in this neck of the woods.

But we are not talking about electricians, but babies—twin babies. They are big healthy fellows, according to our informant and they are doing well, as is their young mother. As for Monte, he don't need spurs today to climb poles, but just goes up 'em because he feels so light in spirits, as it were. It is now Pop Pfyl. When Monte is at home his address is 455 41st street, Oakland.

A Savings Account Should Be Part of a Child's Education

It teaches thrift; it teaches the value of money; It teaches many lessons that are invaluable to any child. The boy or girl who grows up without having been taught to save enters upon manhood or womanhood under a handicap—a serious handicap. How about your boy or your girl?

You can start an account for a child, you know, with yourself as trustee. This enables the child to make deposits, but withdrawals cannot be made without your approval.

Call and let us talk it over with you.

NAVY AWAITS NEW U-BOAT CAPTURE BY DESTROYERS

WASHINGTON, June 6. — The Navy Department still awaited today a detailed report of the encounter between an American destroyer and one of the German submarines off the Atlantic Coast. The destroyed was still at sea, as far as known, and the commander of the naval district to which she is attached has transmitted no additional information.

GENERAL MICHIE DIES SUDDENLY IN EUROPE

PARIS, June 6.—General Robert E. L. Michie of the American army died in a railroad train near Rouen yesterday. His death was sudden and unexpected, as he had not been ill.

ARMY CIRCLES SHOCKED.

WASHINGTON, June 6.—News of the sudden death of Brigadier General Robert E. L. Michie yesterday came as a shock today in war department and army circles. He was a brilliant soldier.

For a long time General Michie was chief aide to General Hugh L. Scott, former chief of staff of the army. He had accompanied the latter on numerous important missions. Chief among these was General Scott's trip to Utah, where he quelled an uprising among the Piute Indians. When General Scott visited the Mexican bandit chief, Francisco Villa, and when he conferred with the Mexican authorities at El Paso, General Michie's assistance was of great value. He also accompanied General Scott with the American mission to Russia last year. He was a native of Virginia and 54 years old.

TOOK FUNDS OF WELLS-FARGO COMPANY

MARTINEZ, June 6.—Upon his being convicted by a jury in Justice Boyer's court Tuesday afternoon of battery, along with Jesse George, J. K. Harries returned to Bay Point under $50 bonds while he contemplated an appeal and during the night gathered up what Wells Fargo Express funds he could lay his hands on in the Santa Fe station and decamped. The amount had been totalled up to over $40 Wednesday afternoon and the express company officials were yet working on the accounts. Harries and George were found guilty of beating up an old man near the Bay Point saloon recently and were fined $60 each.

BAY POINT MAN IS ARRESTED FOR RAPE

On complaint of Frederick Hayes of Bay Point, Bert Bruno formerly of that place was arrested Wednesday morning in Benicia on a charge of rape, his alleged victim being a 13-year old Bay Point girl. Constable Palmer went to Benicia to bring Bruno to Martinez for trial.

REGISTRATION FOR CLASS OF 1918 IS LIGHT IN COUNTY

Probably not more than two hundred young men registered for the class of 1918 in Contra Costa county and the exemption boards estimated there would be at least six hundred. Eighty-five registered in the Richmond precincts and while Pinole and Hercules are yet to hear from there will not be more than fifteen or twenty from these two places at the most.

The reason for this, according to the registration officials, is that the young men have enlisted for the most part in branches of the service that appealed to them before the registration time came. Boys of nineteen and twenty are going into the service from this city as fast as they can be accepted by the army and navy authorities and every day tells the story of some young man from this community who has joined the colors and is eager to do all in his power to help the country in its hour of peril.

If the registration over the nation is indicated by that of Contra Costa county, there will be less than 500,000 in the class of 1918, but this county may not be a barometer either of the state or nation. Patriotism in this vicinity is at a high ebb and even the women and old men and young boys are willing to go to war, if the government can find a place to use them.

REXALL STORES RECRUITING FOR U. S.

In the window of the LaMoine Drug Stores on 6th and 9th streets, there is displayed a double-page advertisement from a current issue of a great national weekly that brings the war on the sea directly home to this section, and to the store where the advertisement appears. The proprietor of the store has a personal interest in the advertisement also, for it relates to war work that he is doing for the Government. Furthermore, he helped pay for it—and the cost of the "ad" for the single issue was $10,000.

The advertisement asks for 50,000 men, between 21 and 30, for service in the new Merchant Marine. In the language of its headline, it offers "50,000 jobs at sea" to clean-cut young Americans. It states that the U. S. Shipping Board will give them special training before putting them into actual sea service, carrying supplies to our armies and Allies in the fighting fields of Europe. So much importance is attached to this work that men accepted for it are exempted from a call to military duty.

The advertisement relates further, that "the Rexall Stores throughout the United States, nearly 7000 of them, have been designated by the government as enrolling stations for the U. S. Shipping Board. At these stores, right in their own home towns, young men may now 'sign up' for training and subsequent sea duty in the U. S. Merchant Marine."

The personal interest of Mr. LaMoine, in common with other Rexall druggists, in this striking war announcement, is contained in the concluding words of the advertisement, which are: "This use of the stores and the expense of this advertisement are a contribution by the Rexall Stores to the cause of Liberty."

Mr. Business Man, don't be a SLACKER, inlist yourself in the army of Record-Herald advertisers

BRAVERY OF AMERICANS SAVED DAY AT MARNE RIVER

LONDON, June 6.—The behavior of the American troops at Chateau Thierry has demonstrated more than anything that has yet happened on the American front the splendid initiative and enterprise with which the American army is endowed, and nothing has aroused the keener enthusiasm of the commander, says the Daily Mail correspondent with the American army in France. He quotes an unnamed French general as saying that the American spirit and enterprise at a critical moment served to maintain the morale of the French troops around Chateau Thierry.

GUN FIRE COUNTS.

Among the incidents of the engagement the correspondent mentions is the steadiness and persistence of the American machine gun fire in the streets of Chateau Thierry. Company after company of the enemy, marching four abreast, repeatedly tried to advance, but recoiled sorely shattered before the fire of the American gunners. The streets were strewn with German dead and wounded, and the American officers estimate they inflicted at least 1000 casualties.

When a bridge across the Marne was blown up, the correspondent adds, the Americans were left on the northern bank with the enemy in front of them and the river it their backs. Carrying their guns, the Americans descended to the lower banks of the river, and, under enemy machine gun and artillery fire, succeeded in reaching the next bridge.

The correspondent predicts that much will be heard of the deeds of the Americans in the next few days and adds:

TROOPS ARRIVE REGULARLY.

American troops fresh from the United States continue to arrive with regularity and in numbers more than sufficient to justify renewed confidence in the ultimate triumph of the entente. * * * The Americans at this moment are distributed over a very wide front, indeed.

In some sectors entire American divisions form one unit, holding a certain extent of line, while elsewhere they are brigaded with French and British regiments. In the Luneville and Toul sectors the Americans hold very difficult salients dominated by the German artillery on Monsec—by the enemy. The Germans recently have been drenching these positions with gas, but the Americans stood firm and won the ready appreciation of all observers.

MISS NEVILLE'S DEATH SHOCK TO FRIENDS

Miss Saillie Virginia Neville, a sister of Mrs. D. W. Calfee, died at the family home of the Calfees, 221 South 22nd street yesterday evening at 5 o'clock after a short illness. While the lady has been ill for the past two weeks, yesterday she felt a great deal better and her death was entirely unexpected and came as a great shock to the family and frinds. The immediate cause of the lady's death was hemorrhage of the brain.

Miss Neville was 63 years of age and a native of Illinois. She has resided in Richmond for the past three years, coming here from her native state to spend her last days with her sister. She leaves two brithers and four sisters, as follows:

VICTORY BROUGHT TO ALLIES BY AMERICANS WHEN ODDS HOPELESS

ZURICH, June 6.—General von Buchan, commanding the Twenty-eighth division of the German army, has been killed in action by the explosion of a hand grenade, according to an announcement in the Baden papers.

LONDON, June 6.—Attempts by the Germans to raid British trenches last night were all repulsed, the British war office announced today.

The Germans suffered losses.

The Germans succeeded, however, in rushing a British post in the sector of Strazelle (on the Flanders front.)

PARIS, June 6.—Important local actions have continued on the Aisne-Marne battlefield. The Germans succeeded in advancing, following violent cannonading in the Moulin-Sous-Touvent-Auteriches-Vingre sector, but the French immediately counter attacked and drove them back. One hundred and fifty German prisoners and many machine guns were captured.

An attempted German turning movement to capture Curscamp, by attacking north of Montalagache, was defeated.

In the Villers-Cotteret district, the Germans made three assaults, all of which broke down under French resistance.

A French thrust, supported by tanks, regained ground and part of the railway line in the Corcy-Longpont district.

Air fighting has been very intense over the whole front.

FOE USES FIFTY DIVISIONS.

LONDON, June 6.—The Germans have used at least fifty divisions in their latest offensive on the Aisne-Marne front, according to Gordon Knox, war expert of the Daily News.

(Fifty divisions would be about 600,000 fighting men.)

COLLISION OF CARS AT S. P. MOLE INJURES FOUR TRAINMEN

OAKLAND, June 6.—In a collision between Southern Pacific cars in the yards at Oakland mole, shortly before 7 o'clock this morning, four trainmen were injured, two seriously. Cars were being shunted about to make up trains for the day when two came together at considerable speed because of a mistake in switching.

A MODESTO LADY PASSES AWAY AT HOME OF SISTER

Miss Jessie Carson, a sister of Mrs. E. P. Appling, wife of the well known Santa Fe railroad conductor, died at the Appling home in the Messerle apartments yesterday evening, after a protracted illness.

Deceased was 32 years of age and is survived by a father, W. T. Carson of Modesto and the following brothers and sisters: Mrs. E. P. Appling, of Richmond, Mrs. S. R. Colliver, Washington, Mrs. F. J. O'Brien, San Francisco and W. P. Carson, Jr., of Modesto.

The remains will be shipped to Modesto tomorrow morning by Undertaker E. B. Smallwood, where the funeral and burial will take place.

The funeral will be held tomorrow afternoon at 2 o'clock from the Wesley Methodist church. Rev. J. C. Gillette will officiate.

WOMEN OF RED LIGHT WORLD ARE ARRESTED

MARTINEZ, June 6.—Three women, inmates of the resort at Antioch known as Hazel's place, and one man said to be the owner of the property were arrested Tuesday afternoon by officers from the sheriff's office in this city. Criminal charges were filed against the women, while they and the man were cited to appear before Judge McKenzie on June 14th to show cause why they should not be punished for contempt of court in violating the temporary restraining order issued against the place two years ago.

The women gave the names of Amelia Fiscus, Lena Costa and Bernice Burdette. The former was released on $500 bail, while the latter two were released on $50 cash bail each.

The owner of the property who was cited is J. G. Bolz, butcher of Antioch. No criminal charge was placed against him, but he faces the charge of contempt of court.

SANTA FE ADDS ONE CENT TO FERRY FARE

From and after next Monday it will cost the traveler by the way of the Santa Fe ferry steamers to San Francisco the sum of 26 cents from Richmond. Heretofore the fare has been 25 cents.

The commutation rate between Richmond and San Francisco, which heretofore has been $5.00 from and after Monday it will be $5.50, an increase of fifty cents.

There will be no change in the rates by the way of the Key Route for the reason that the lines still remain in the hands of private parties, the government not having taken over that line, as is the case with the other transbay lines.

Stomach Trouble Cured

Oakland, Oct. 2, '17

My stomach was my master for many years. I am a clerk in the office of the lumber department of the S. P. Co. and after every meal I had an annoying, grating sensation, together with an empty feeling in my stomach. Through lack of nourishment my health was broken and I was in a hospital for several weeks. The doctors first cleaned me out with a stomach pump. Then they treated me for ulcers, and finally, as I did not improve, they observed my digestion through an X-ray. Concluding that they could do nothing for me they sent me home with the suggestion of an operation.

Then a fellow employee who had received a great benefit by drinking the FONG WAN CHINESE HERBS suggested that I try them. The first cup of tea brought me genuine relief, and after a few weeks I was entirely cured. I am back in the office and will be glad to give my personal testimony to any desiring it.

DRAMA THRILLS AT RICHMOND PLAYHOUSE

Clara Kimball Young's current picture showing at the Richmond Theater is a film adaptation of the wellknown French play of the same name by Pierre Wolff, made by her own company under the direction of Emile Chautard and distributed by Select Pictures.

Fernande de Ferney (Clara Kimball Young), a charming little orphan, lives with her uncle, Professor de Ferney (Edward Kimball), an old friend of the Harquise de Monclars, whose estate is near the cottage of the Ferneys. During the summer vacations from the convent, Fernande spends much of her time at the Chateau of Monclars, where she is regarded as one of the family. It is three years since she has seen Roger (Nigel Barrie), the Marquise' son; and in the eyes of the simple country girl, he represents all that is big and noble—he is her ideal, her Prince Charming.

While away from home, Roger has squandered his fortune and is down to his last penny. He appeals to his mother for aid; she promises to help him only on condition that he marry Fernande, in the next room overhears this conversation and bursts into tears. The Marquise finds her also sees her sketch-book with numerous drawing of Roger. Putting two and two together, the Marquise understands that the girl is in love with her son; and since this suits her purpose, she arranges the marriage between the two.

Fernande soon realizes that her husband does not care for her, although she loves him passionately; and she decides to win his love.

Nizerolles (Alec Francis), a friend of Monclars, tells Fernande of a play he is to present, "The Marionettes," a puppet show dealing with a neglected wife, a lover, and a husband who realizes his wife's charms only after his jealousy is aroused.

How she adopts the methods of the wife in the puppet show and attracts a lover (Corliss Giles), and how the transformation of the country girl into a society butterfly accomplishes its purpose, make a thrilling photoplay and give Miss Young an opportunity to displaay the high art of her emotional acting.

Jump from Bed In Morning and Drink Hot Water

Tells why everyone should drink hot water each morning before breakfast.

Why is man and woman, half the time, feeling nervous, dispondent, worried; some days headachy, dull and unstrung; some days really incapacitated by illness.

If we all would practice inside-bathing, what a gratifying change would take place. Instead of thousands of half-sick, anaemic-looking souls with pasty, muddy complexions we should see crowds of happy, healthy, rosy-cheeked people everywhere. The reason is that the human system does not rid itself each day of all the waste which it accumulates under our present mode of living. For every ounce of food and drink taken into the system nearly an ounce of waste material must be carried out, else it ferments and forms ptomaine-like poisons which are absorbed into the blood.

Just as necessary as it is to clean the ashes from the furnace each day, before the fire will burn bright and hot, so we must each morning clear the inside organs of the previous day's accumulation of indigestible waste and body toxins. Men and women, whether sick or well, are advised to drink each morning, before breakfast, a glass of real hot water with a teaspoonful of lime stone phosphate in it as a harmless means of washing out of the stomach, liver, kidneys and bowels the indigestible material, waste, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach.

Millions of people who had their turn at constipation, bilious attacks, acid stomach, nervous days and sleepless nights have become real cranks about the morning inside-bath. A quarter pound of limestone phosphate will not cost much at the drug store, but is sufficient to demonstrate to anyone, its cleansing, sweetening and freshening effect upon the system.—Advt.

GIRL'S STATEMENT WILL HELP RICHMOND

Here is the girl's own story: 'For years I had dyspepsia, sour stomach and constipation. I drank hot water and olive oil by the gallon. Nothing helped until I tried buckthorn bark, glycerine, etc., as mixed in Adler-i-ka. ONE SPOONFUL helped me INSTANTLY." Because Adler-i-ka flushes the ENTIRE alimentary tract it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has QUICKEST action of anything we ever sold.—C. E. Niedecker, druggist.

MADAME FREEMONT THE NOTED CLAIRVOYANT AND PALMIST

Her predictions have proven true to the hour. She knows the minute you come in her presence what is in your life. Can tell about business moves or any changes. She is a trance medium with wonderful power to see. She can tell you about your marriage and friends, if they are true or false. She has given her entire life to this great work to help people in sorrow and troubles. She has guided hundreds to a brighter and better life. She gives you exact time and date when things will change for you for the better.

You feel fine in a few moments. Your cold in head or catarrh will be gone. Your clogged nostrils will open. The air passages of your head will clear and you can breathe freely. No more dullness, headache; no hawking, snuffling, mucous discharges or dryness; no struggling for breath at night.

It is just what every cold and catarrh sufferr needs. Don't stay stuffed-up and miserable.

SALTS FINE FOR ACHING KIDNEYS

We eat too much meat, which clogs Kidney, then Back hurts and Bladder bothers you.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessnesa and all sorts of blader disorders.

You simply must keep your kidneys active and clean ,and the moment you feel an ache or pain in the kidney region, get four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep the kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.—Advt.

THE TEST OF MERIT

Richmond People Are Given Convincing Proof.

No better test of any article can be made than the test of time and this is particularly true of a kidney medicine. Doan's Kidney Pills have stood this test and stood it well. What better proof of the merits of this remedy could you demand, than the statement of a Richmond resident who used it successfully and tells of lasting results.

Read the following:

Mrs. G. Gorman, 1804 Nevin avenue, says: "My kidneys acted irregularly and I believe this caused the painful symptoms from which I suffered. I had backache and overexertion or colds affected my kidneys. Two or three boxes of Doan's Kidney Pills rid me of all those symptoms and strengthened me." (Statement given April 28, 1913).

LASTING RESULTS

On May 31, 1916, Mrs. Gorman said: "The cure Doan's Kidney Pills gave me has been lasting."

Price 60¢, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Gorman had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.—Adv.
